Sir:

I, Philip H. Albert, hereby declare the following to be true:

1. I am a partner at Townsend and Townsend and Crew LLP ("Townsend").
2. Townsend was tasked with preparing and filing the above-cited patent application.
3. Prior to the filing date of July 10, 2003, it is possible that the assignee of the present application may have had a licensing agreement with an entity that would not qualify as a small entity and the present application may or may not be covered by the terms of the licensing agreement.
4. Upon review of our files, there does not appear to have been any intent to deceive the U.S. Patent and Trademark Office as to the actual entity status of the assignee at the

time of paying the filing fee or any definitive indication of events that would have caused the loss of entitlement to claim small entity status prior to payment of the filing fee.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and the these statements are made with knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, and any patent issuing thereon, or any patent to which this declaration is directed.
